

International

Smithfield State High School (SSHS) is a member of Queensland Schools International Network. This has enabled us to host international students in programs ranging from full time study, study abroad and short term study tours.

The school operates all of its international student programs under the policies and procedures of Education Queensland International (EQI).

Click [here](#) to visit our International website which contains all of the information you will require to become part of the fantastic experience which is the International Student Program.
