

Smithfield State High School

Tropical North Learning Academy – Smithfield State High School

2025 Buy your own resources - Year 8

The Student Resource Scheme (SRS) is a user-charging scheme operated by schools to provide parents and carers with a mechanism to access individual student resources that are not funded by the government.

Schools develop the SRS based on resources needed by students and the programs offered at our school. The fees and inclusions are endorsed by our P&C and parental participation is optional.

When a parent chooses not to participate, the parent is responsible for providing the resources. The following identifies the resources required based on your child's year level and subject selection.

You may choose to sign up to the SRS for the following year, please complete a new *Participation Agreement Form*, which is available on the [Payments](#) page of our [website](#).

Any questions regarding specific resources, should be directed to the relevant subject Head of Department.

Subject	Faculty	Timetable Code
Art	The Arts	ART08
ASPIRE	Student Services	ASP08
