

‘Bring Your Own Device’ Program: User Charter Agreement – 2019

The Smithfield State High School ‘Bring Your Own Device’ (BYOD) program aims to improve student learning experiences both in and out of the classroom. The school does so with the expectation that students will make good decisions with regard to their personal use of technology.

This **BYO Device User Charter** must be agreed to and signed before students are permitted to borrow a school device and connect it to school facilities.

Students and parents/carers must carefully read the Charter prior to signing this agreement. Any questions should be addressed to the school and clarification obtained before the Charter Agreement is signed.
