Laptop 'Under Repair' Hire Program

The laptop hire program is designed to address students having access to a laptop while their BYOx laptop is being repaired or replaced. The program aims to bridge the digital divide and ensure that all students have equitable access to laptops, thereby supporting their academic success.

Objectives:

- Access to Technology for All Students: Provide laptops to students who do not have access to their own devices.
- Equitable Learning Opportunities for All Students: Ensure that all students can participate in online classes, complete assignments, and engage in educational activities regardless of their financial situation.
- Support Academic Success for All Students: Improve students' ability to excel academically by providing the necessary tools for remote and in-person learning.
