#IMPORTANT UPDATE RE: O'BRIEN ROAD DISRUPTIONS#

Dear Parents/Caregivers

There have been major developments on O'Brien Road, re-laying the footpath in particular.

Further work will be on hold for Term 1 with some major disruptions to come in Terms 2 & 3.

For now re: set-down/pick-up:

- i. Use the area directly in front of the school
- ii. the bus zone will stay as usual for Term 1 and we will put signage up
- iii. only designated students with disability should be set-down/picked up inside the school grounds
- iv. parking on the Holy Cross side of the road may not be possible.

We will have regular updates on the Facebook page, website and through newsletters.
