Aims

- Provide opportunities for academy students to develop skills, technical and strategic awareness along with strength and conditioning in an educational setting of high expectation.
- Embed a culture of discipline, goal setting, time management and leadership through team participation and team experiences.
- Provide access to further high performance coaching and facilities via our partnership with FNQ Football.

Football Academy

Students interested in becoming part of the Football Academy will be screened in order to meet the criteria set by the school. This includes a football trial to assess skills and current ability.

Who is eligible to apply for Football Academy?
The program is available to Smithfield State High School, Trinity Beach State School, Caravonica State School, Yorkeys Knob State School, girls and boys in Year 5, 6, 7, 8, 9 and 10. It is also open to out of catchment students by application.

Cost:
Academy cost is \$40 per year plus an Academy uniform cost.

Academy Vision

Our Football Academy Program is a great program for players that have big goals in football. The program focuses on developing players holistically, touching on the technical, tactical, physical aspects of the game, strength and conditioning and life skills. The program involves one training per week, as well as matches and tournaments that we may organise in the future. Our Football Program should be considered complimentary to their club football.

Opportunities for coaching and refereeing accreditations will be made available at intervals of the academy.
